Corrected/TERMINAL DISCLAIMER

Dear Sir:

On March 30, 2009, the applicants filed two terminal disclaimers. One of the terminal disclaimers was rejected because of an error in the full assignee name. Applicants reviewed both terminal disclaimers and discovered that **both** disclaimers recited an incorrect assignee. Applicants submitted corrected terminal disclaimers on May 18<sup>th</sup>, 2009 (electronically) for both the disclaimer over U.S. application No. 10/523,302 and 10/523,230.

J. Hurley has today, May 20<sup>th</sup> informed me that the disclaimer over 10/523,302 is defective as to the 371 date of serial no. 10/523,302. This date has been removed and the corrected terminal disclaimer is being submitted electronically, May 20<sup>th</sup>.

Respectfully submitted,
